STORAGE AND DISPOSAL

Store in the closed original container in a well-ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant Local, State or Territory government regulation. DO NOT burn empty containers or product.

SAFETY DIRECTIONS

Product is harmful if inhaled or swallowed. Will irritate the eyes and skin. Avoid contact with eyes and skin. Do not inhale vapour. When opening the container and preparing spray, wear cotton overalls buttoned to the neck and wrist (or equivalent clothing) and a washable hat and elbow-length nitrile or PVC gloves, goggles, half facepiece respirator with organic vapour cartridge or canister. If product is on skin, immediately wash area with soap and water. If product is in eyes, wash it out immediately with water. After each day's use, wash gloves, goggles and respirator and if rubber wash with detergent and warm water.

FIRST AID:

If poisoning occurs contact a doctor or Poisons Information Centre. Phone Australia 131 126. If swallowed do NOT induce vomiting. Give a glass of water.

SAFETY DATA SHEET:

Additional information is listed in the safety data sheet (SDS). A material safety data sheet for eChem PYRIP 100 Insect Growth Regulator is available from the supplier.
